Our CANCELLATION POLICY

We are a sought after beauty business and often have a waitlist of clients therefore we DO require 48 hours notice to cancel or reschedule all appointments otherwise a late cancellation fee of 50% of the original service booked will be charged. When you book an appointment at Timeout for You Skin Management Centre we really care about the personalised service you receive and unlike other salons, we set that time and therapist aside just for you. We often turn away other clients that are desperate for an appointment because we are fully booked. If you cancel with late notice it inconveniences the many other clients that are on our waiting list and doesn't offer us enough notice to contact that waitlist. You will be personally phoned or sent a text message 48 hours, prior to your appointment as confirmation of your appointment and as acknowledgment of this policy.
