

Welcome to our latest newsletter, with another special event looming – Valentine's Day!

I know we care about our loved one every day but this special day is where we show those we love how much we care, and this year we have put together a package for the man in your life, because we know he deserves some timeout and pampering too.

We are also giving away beautiful feet see page 2.

Our wonderful Romantic Escape for Two to Fiji has been a real winner so we are looking forward to seeing you in the salon on Monday or Tuesday for your CircuitSkin facial so you can enter the draw, you have to be in it to win it, and you get beautiful skin also.

That's enough from me, take care and always remember to take 'Timeout for You'!

Regards
Kerry and The Team

Product of the Month!

SircuitSkin Sir Activ

Leaves you polished up and looking...deelicious!

Sir Activ™ is an invigorating, deep cleansing scrub that adds vitality and radiance to dull and lifeless skin. Sweep away dead skin cells with the small Jojoba beads that gently exfoliate while the Zeolites (silicates from volcanoes) help to remove the impurities leaving your skin feeling smooth and soft. The intoxicating essence of Cranberry and Apple botanicals will leave your senses wanting more. City dwellers

exposed to harmful pollution (from cigarette smoke to urban smog) should make this special, deep cleansing scrub a regular part of their skin care regime.
