CANCELLATION POLICY

We operate a busy beauty therapy salon and appointments are precious. Our time, as is yours, is valuable. *When you book an appointment at Timeout for You, unlike other salons, we set that time and therapist aside just for You.* We often turn away other clients that are desperate for an appointment because we are fully booked. If you cancel with late notice it inconveniences the many other clients that are on our waiting list to get in. Should you need to cancel your appointment, please give us a courtesy call 24 hours before. Last minute cancellations and no-shows may incur a 50% cancellation fee. All appointments of 2 hours or more will be held by credit card deposit or gift voucher only.

Booking of appointments is acknowledgement of these terms.
