Artistic Colour Gloss

This exciting new professional Gel Polish Manicure system has been created by Hollywood's Tom Bachik. Having successfully launched in the US and the UK Tom now brings his latest innovation to salons across Australia with ARTISTIC NAIL DESIGN's COLOUR GLOSS Soak-Off Gel Polish. You can be confident that ColourGloss will stay put with a high shine lasting for up to 3 weeks - without chipping, dulling, or peeling. The colour glides beautifully on to finger and toe nails, then just like gel, it is lamp cured to dry in only seconds under an led lamp.

There's no need for you to hide your chipped nails – the results are so stunning, the finish is hard to believe. Drying to a strong, yet flexible finish, the high shine glossy result will ensure your finger tips and toes turn heads, week after week. A quick soak is all that is needed for removal – with no damage to the natural nail..

Add this to your manicure or pedicure for just \$25
